AHPA Member Spotlight - Dr. Kim

Dr. Wonha Kim serves on the AHPA Management Committee and partners with AHPA in her role as the Director of Loma Linda University's Institute for Health Policy & Leadership (IHPL).

AHPA recently had the opportunity to sit down with Dr. Kim and ask about her role and the priorities of IHPL. Read the Interview

AHPA Commented on Proposed Post-Acute Data Elements

AHPA submitted comments on June 23, 2017, to the Centers for Medicare & Medicaid Services (CMS) on the Development and Maintenance of Post-Acute Care (PAC) Cross-Setting Standardized Assessment Data. The data elements would be used across all PAC settings and, if finalized, all providers would be required to use the data elements. Read More

AHPA Commented on the Regulatory Burdens Imposed by the ACA

AHPA submitted comments this week to the Centers for Medicare & Medicaid Services (CMS) per their request for information on the regulatory burdens imposed by the Affordable Care Act (ACA). Read More

Two Adventist Health Hospitals Partner to Use Technology for Care Coordination

Glendale Adventist Medical Center and White Memorial Medical Center are partnering with Los Angeles Network for Enhanced Services (LANES) to deliver better, more efficient health care to the communities they serve. The partnership with LANES will allow secure patient information exchange between hospitals, community-based clinics and health plans to support better care coordination. To read more about the partnership click here.
